

Directions for Advent pop up:

- Color first 2 candles purple , next 1 pink, last candle purple.
- Cut off directions along dotted line and fold paper in half to make a tent.
- Color the flames one at a time to mark the four weeks of Advent

Candles remind us we are waiting for Jesus the Light of the world. Each week we light another candle and watch the light get brighter and brighter.

Advent: Prepare the way of the Lord.
Oh come Emmanuel !
