

## Listening Activity

Remind your child that the Bible tells us to not just listen to the word of God, but to do what it says too! Today we are going to work on their listening skills with a quick exercise.. Give your child a piece of paper and crayons or colored pencils and tell them to listen and do exactly what you say.

1. Draw a big red circle in the middle of your paper.
2. Draw a blue square inside the circle.
3. Draw three small circle inside that circle and color one in. (any color you choose)
4. Draw one little heart at the bottom middle of the page

When you have finished with your instructions tell the children to compare their papers with yours. Discuss how they are the same how they are different.
