

Directions:

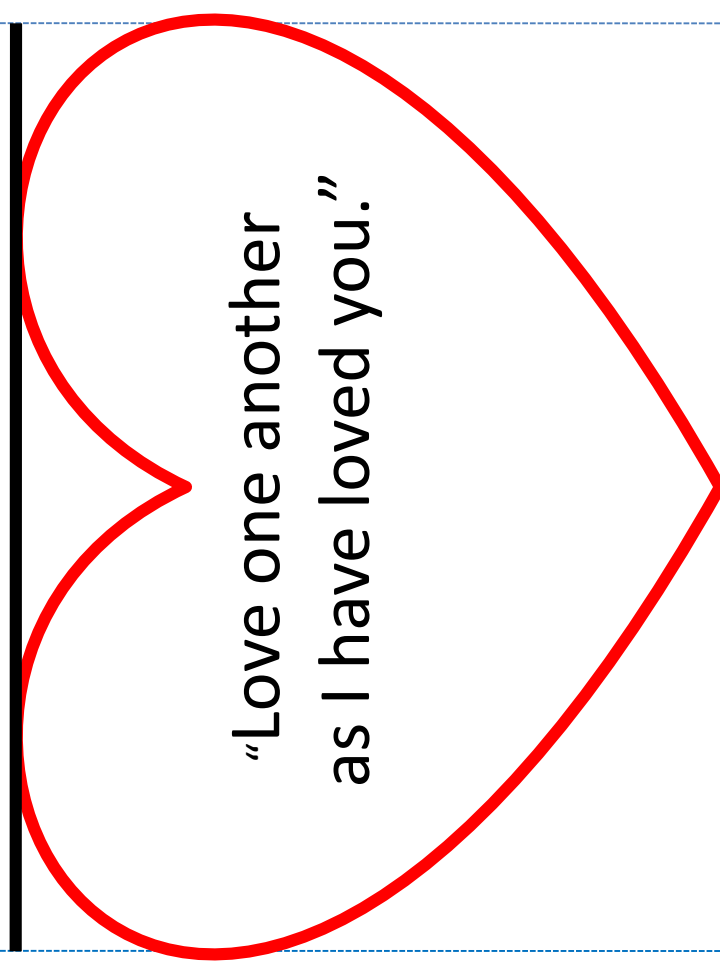

Cut the paper along the 2 blue lines (or dashed lines)

Fold in half at the bold black line

Cut the side curves of the heart, and the middle (*best to watch me do this part first*)

Now when you flip it open write THE NEW COMMANDMENT on the inside of the card. (*notice the shape, when you open the card, it looks like the 10 Commandment stones*)

This New Commandment is all about LOVE not so much about "rules" the craft shows that we are not getting rid of the 10 Commandments but we are focusing on the inside meaning which is LOVING Each other!

“Love one another
as I have loved you.”
