

RECONCILIATION CLOCK

- Use a paper plate as the face of the clock
- Write *GOD* at the top (12 o'clock)
- *SIN* at the side (3 o'clock)
- *SORRY* at the bottom (6 o'clock)
- *RECONCILIATION* at the other side (9 o'clock)
- Cut out the arrow and use a brad to poke through the arrow's dot and attach it to the center of the clock.

After you understand the lesson, draw the face you will have after reconciliation on the back of your clock. 😊
