

Confirmation Preparation- Year One

"Parents are the first witnesses to the faith." ~ Pope Francis

Please watch this 5-minute video for parents: <https://formationreimagined.org/first-witnesses/>

We are happy to announce the first step in **Confirmation Preparation** for your 7th grader! The Archdiocese of Detroit has encouraged us to provide a time and direction for parents to share their faith with their children prior to their 8th grade preparation.

As a result, we will gather in the Activities Building and offer two dates to attend the two prayer services. These will be interactive sessions with time to dialogue between parent and child, giving you an opportunity to discuss topics that may not come up in day-to-day life.

The sessions will be approximately one hour, and we hope you'll find them to be enjoyable and a positive bonding experience that will strengthen your Domestic Church.

Requirements:

2 parent/child sessions, approximately 1 hour each

We provide two dates for each session.

Due to the size of our program, we ask that only one parent attend the session with their child. Because we have two different sessions, we would like mom to attend one and dad to attend the other, if possible. Bring nothing but your desire to connect with your child. All other supplies will be provided.

Dates and time will be provided each year.
