

The Painted Pot

a paint-it-yourself pottery studio...and more!

St. Andrew Church

SUNDAY, APRIL 19, 2026 • 9 A.M., 11 A.M., & 1 P.M.

FIRST COMMUNION COMMEMORATIVE CUP

During the First Communion Final Family Gathering, an optional workshop is being offered to create a one-of-a-kind ceramic cup commemorating your child's First Holy Communion day.

At this event, parent and child will work together on this masterpiece to be cherished for years to come!

Once fired, this commemorative cup is food safe (non-toxic, lead-free).

Staff from The Painted Pot will be our instructors in the Activities Building.

At the workshop, you can paint your cup with your own design or create one similar to the photos above using your child's fingerprints to create the "fruit of the vine" or cross design.

The cups will then be taken back to The Painted Pot to be personalized with your child's name and First Communion date.

They will then be glazed and fired. Cups will be individually packaged and available for pickup at The Painted Pot in time for their First Communion. Pre-registration is required. This activity will take approximately 30 minutes.

This project is being offered to all St. Andrew First Communicants by The Painted Pot at a discounted rate of \$25 per cup.
